

a dictionary of stylistics pdf

Stylistics, a branch of applied linguistics, is the study and interpretation of texts of all types and/or spoken language in regard to their linguistic and tonal style, where style is the particular variety of language used by different individuals and/or in different situations or settings. For example, the vernacular, or everyday language may be used among casual friends, whereas more formal ...

Stylistics - Wikipedia

Stylistics is a valuable if long-winded approach to criticism, and compels attention to the poem's details. Two of the three simple exercises performed here show that the poem is deficient in structure, and needs to be radically recast.
