Exploring American Histories offers an entirely new approach to teaching the U.S. survey that puts investigating sources and thinking about the many stories of American history right at the center of your course. The distinctive format integrates primary documents and a brief narrative into one cost-effective and easy-to-use volume.

### **Exploring American Histories, Volume 2 PDF**

America: A Concise History has become the best-selling brief book for the U.S. History survey because of the uncommon value it offers instructors and students alike. The authors' own abridgement preserves the analytical power of the parent text, America's History, while offering all the flexibility of a brief book.
