A digital divide is an economic and social inequality with regard to access to, use of, or impact of information and communication technologies (ICT). The divide within countries (such as the digital divide in the United States) may refer to inequalities between individuals, households, businesses, or geographic areas, usually at different socioeconomic levels or other demographic categories.

Digital divide - Wikipedia

BTG (bridging the gap) is a service committee of AA. BTG was created to provide temporary outside AA contacts for AA members leaving Treatment or Correctional facilities.

The leadership gap persists, but the findings from these 2 studies will help your organization improve the weakest competencies of today's leaders.

The Leadership Gap: How to Fix What Your Organization

Social capital broadly refers to those factors of effectively functioning social groups that include such things as interpersonal relationships, a shared sense of identity, a shared understanding, shared norms, shared values, trust, cooperation, and reciprocity. However, the many views of this complex subject make a single definition difficult. The term generally refers to (a) resources, and ...
