Very interesting development. The only thing I noticed was the choice of a 1-6x optic. Might be worth looking into something like the Steiner ICS, which has an integral range finder that adjusts the reticle for distance, especially since this rifle is designed for filling the "performance gap" in the 500-800+ meter range.

[Egyptian goddess harnessing the serpent energy.] Controlling the Laws of Nature . It seems ancient architects had a fine degree of control of the laws of nature, because a recent study of energy fields in and around Avebury, the world's largest stone circle, shows how its megaliths are designed to attract a ground current into the site.

Ultimate Texas Hold'em is a ShuffleMaster table game based on the popular poker game. The description and rules of the game are found online. I didn't find a basic strategy anywhere for the game, so I devised one myself using my own analysis program. The game is very popular, because the house edge is reasonable,
