Sure, I've been studying offensive football strategy for a long time - but I still consulted with EVERY football expert I knew, personally tried and tested dozens of different offenses with my own teams, then added my own personal experiences to develop this system.. Don't let the size of this short playbook fool you.

The decision to move to an electronic health record (EHR) system requires a lot of time and effort. Before you begin your implementation project, it's important to understand the benefits that an EHR brings to your practice.

### **Electronic Health Records - Health IT Playbook**

The two are interlinked, but customers can be loyal to your brand without being advocates (although the reverse can't really be true). A brand loyalist is someone who is personally loyal to your brand, but doesn't engage in promoting you to others. They're important, not only because they generate revenue, but because they possess the potential to become advocates.

Fiduciary Liability Insurance Guards Against Mismanagement Claims. Fiduciary liability insurance (and management liability insurance) is targeted at protecting businesses' and employers' assets against fiduciary-related claims (PDF) of mismanagement of a company's employee benefit plans. It is not required by the Employee Retirement Income Security Act (ERISA) or any federal statute.
