What is Sustainability? We believe it is the process of conducting business using practices that protect and enhance the environmental, social and economic resources needed by future generations to enjoy a life equal to or greater than our own. The steps we take are just some of the ways Glatfelter goes Beyond Paper Â®. Download our Sustainability Brochure (PDF 4.43 MB)

Sustainability, environmental performance from Glatfelter

Sustainability is the process of maintaining change in a balanced environment, in which the exploitation of resources, the direction of investments, the orientation of technological development and institutional change are all in harmony and enhance both current and future potential to meet human needs and aspirations. For
