1. Introduction 1.1 Overview of Levinas's Philosophy. Jacques Derrida pointed out in 1967 that "Levinas does not want to propose laws or moral rules—it is a matter of [writing] an ethics of ethics." [] An ethics of ethics means, here, the exploration of conditions of possibility of any interest in good actions or lives. In light of that, it can be said that Levinas is not writing an ...

Introduction. Over the past decade, abuses by colleges operating in the for-profit education sector have been well documented. 1 Buoyed by a tide of government-enabled financing, these for-profit colleges expanded their enrollment from 1990 to 2013 more than ten times faster than did nonprofit or public schools, 2 and they widely engaged in aggressive and misleading recruitment and other ...

Most supervisors would find #2 and #3 to be problematic and requiring additional steps. In #2, immediate attention should be given to the possibility that this client should be transferred to another therapist, as a cardinal rule of every profession is "primum non nocere" and the highest duty of the supervisor is to protect the client.

Moving from back office to front office? Every year, a lot of young professionals decide to start their careers in investment banks' back offices. People work in back offices for various reasons: easier hours/lifestyle, because they did not make it into a front-office job and hoped it was the best step towards the front office, or because they simply didn't know the difference between back and ...
