My mother instilled in me a love of reading, so when I discovered several of Sabatini's titles in a bookstore, I bought Captain Blood. Many years later, I did some pirate research that took me back to this novel. As I reread Captain Blood in preparation for writing this article, I realized how much I hadn't understood the first time.

Seeing old friends in a new light: A divergent synthesis of quinine and quinidine (see structures) was designed on the basis of a symmetrical and nonstereogenic intermediate, conceptually different from the stereodefined piperidine precursors used in past syntheses. Complementary late-stage local desymmetrization reactions were developed to access the two targets.
