In Rainbows is the seventh studio album by English rock band Radiohead. It was first self-released on 10 October 2007 as a pay-what-you-want download, followed by a physical release internationally by XL Recordings in December 2007 and in the United States on 1 January 2008 by TBD Records. It was Radiohead's first release after their recording contract with EMI ended with their previous album ...

In some sans serif typefaces, the uppercase letter I, 'I' may be difficult to distinguish from the lowercase letter L, 'l', the vertical bar character '|', or the digit one '1'. In serified typefaces, the capital form of the letter has both a baseline and a cap-height serif, while the lowercase L generally has a hooked ascender and a baseline serif.

Here is the comment I made when I inaugurated this list on 1 September 2004; since then, the list has evolved to encompass both vocal and instrumental musical compositions: Today, I thought I'd share with my readers a new feature for "Notablog" and a new page on my site. I have been promising readers to inaugurate additional "My Favorite Things" pages, pointing to such things as favorite books ...
