Chinese mythology (Chinese: 中国神话) is mythology that has been passed down in oral form or recorded in literature in the geographic area now known as "China". Chinese mythology includes many varied myths from regional and cultural traditions. Chinese mythology is far from monolithic, not being an integrated system, even among just Han people.

Chinese mythology - Wikipedia

Fish are an important motif in Chinese mythology. There are various myths involving fish. The word for "fish", yu is a homophone for "abundance" and "affluence". (Eberhard, 1983: 106). Chinese mythology refers to those myths found in the historical geographic area of China. The geographic area of "China" is of course a concept which has evolved or changed through history.
