

### **civic rites democracy and pdf**

Book Description: Civic Rites explores the religious origins of Western democracy by examining the government of fifth-century BCE Athens in the larger context of ancient Greece and the eastern Mediterranean. Deftly combining history, politics, and religion to weave together stories of democracy's first leaders and critics, Nancy Evans gives readers a contemporary's perspective on Athenian society.

Athens' democracy developed during the sixth and fifth centuries and continued into the fourth; Athens' defeat by Macedon in 322 began a series of alternations between democracy and oligarchy. The democracy was inseparably bound up with the ideals of liberty and equality, the rule of law, and the direct government of the people by the people.
