

class tells on social pdf

Definitions. As with many terms describing social class, working class is defined and used in many different ways. The most general definition, used by Marxists and many socialists, is that the working class includes all those who have nothing to sell but their labour power and skills. In that sense it includes both white and blue-collar workers, manual and mental workers of all types ...

Social stratification is a kind of social differentiation whereby a society groups people into socioeconomic strata, based upon their occupation and income, wealth and social status, or derived power (social and political). As such, stratification is the relative social position of persons within a social group, category, geographic region, or social unit.
