Here is a simple art idea, focusing on shape and colour choice. Print off some simple drawings for students to choose from. I find that animal outlines work the best but you could also use pictures of transport, fruit, people, maps of countries (map of Australia turns out well), or other simple outlines.

Chapter overview. 2 weeks 'Mixtures' was first introduced in Gr. 6, so learners should already be familiar with these concepts. Learners would have also looked at some of the physical methods of separating different types of mixtures (including hand sorting, sieving, filtration), and this year we will explore some additional methods in more detail (including distillation and chromatography).
