Hong Kong English (Chinese: 香港英语) is the dialect of the English language most commonly used in Hong Kong. The dialect is a result of Hong Kong's British overseas territory history and the influence of native Cantonese speakers.. Being a former British colony, Hong Kong predominantly uses British spellings. Pronunciations and words are also predominantly British [citation needed ...

Commonly misspelled English words (UK: misspelt words) are words that are often unintentionally misspelled in general writing. A selected list of common words is presented below, under Documented list of common misspellings. Although the word "common" is subjective depending on the situation, the focus is on general writing, rather than in a specific field.

Exactly. I am not an English speaker, and most of the foreigners won't do any of the four first mistakes. English phonetics can be very difficult for a lot of foreigners because their mother tongue can be made up of less phonemes and allophones than English: they have to learn to identify and say new sounds (German, French, Spanish, Japanese, etc.).

One of the most difficult aspects of learning English is the lack of rules. I know, English would be so much easier if we just stuck to (obeyed) the rules! The confusion with "the" or no "the" is always problematic for Spanish speakers because the use of "the" (el/la/los/las) in Spanish is much more common than in English. Think about it for a moment.
