An Integrative Definition of Leadership Bruce E. Winston Kathleen Patterson Regent University This study addresses the problem of varied definitions of leadership and focuses on the possibility that as part of the social science tradition, the results of other leadership definitions focused only on isolated variables.

An Integrative Definition of Leadership - Regent University

A leader's job is to support and guide from the bottom to help lift others, not themselves, up into the spotlight. Lead with humanity. It is an uncompromising law of leadership that all leaders must see their employees as people, not just workers or worse, a dollar sign.
