The Suzuki method is an internationally known music curriculum and teaching philosophy dating from the mid-20th century, created by Japanese violinist and pedagogue Shinichi Suzuki (1898–1998). The method aims to create an environment for learning music which parallels the linguistic environment of acquiring a native language. Suzuki believed that this environment would also help to foster ...

Horace can be regarded as the world's first autobiographer – In his writings, he tells us far more about himself, his character, his development, and his way of life than any other great poet in antiquity. Some of the biographical writings contained in his writings can be supplemented from the short but valuable "Life of Horace" by Suetonius (in his Lives of the Poets).
