Nursing credentials and certifications are the various credentials and certifications that a person must have to practice nursing legally. Nurses' postnominal letters (abbreviations listed after the name) reflect their credentials—that is, their achievements in nursing education, licensure, certification, and fellowship. The letters usually appear in the following order:

The roles of healthcare risk and quality professionals\* are evolving in healthcare organizations. In the past, the two functions often operated separately, and individuals responsible for each function had different lines of reporting—an organizational structure that further divided risk management and quality.
