The major challenge for arbitration in the United States is that the original concept that arbitration allows parties to resolve their dispute in a faster and less expensive way no longer applies. The market now generally recognises that arbitration is frequently a slower and more expensive alternative to litigation.

LITIGATION & ALTERNATIVE DISPUTE RESOLUTION

Differences Between Arbitration and Litigation Litigation is a very old process that involves determining issues through a court, with a judge or jury. In this case, we're talking about civil litigation - disputes between two parties (as opposed to criminal litigation, which involves the people against a law-breaker).
