National Venture Capital Association - NVCA

Venture capital (VC) is a type of private equity, a form of financing that is provided by firms or funds to small, early-stage, emerging firms that are deemed to have high growth potential, or which have demonstrated high growth (in terms of number of employees, annual revenue, or both). Venture capital firms or funds invest in these early-stage companies in exchange for equity, or an ...

Venture capital - Wikipedia

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".

Does herding exist in online content? In other words, if one person writes an article about a topic, will dozens of other sites copy it, giving the impression that thereâ€™s a â€™consensusâ€™? The answer is yes. For example, I once wrote an article about private equity vs. venture capital, and many ...
