In 1980 I became convinced that speed reading could become a universal skill for all children if it were just made available in the right way to the general public. At that time the only speed reading courses available were those which cost hundreds of dollars per student. Also, these same courses were directed at adults (mostly college students and business owners).

Thereâ€™s nothing more basic than the fact that an engine is just a big air pump. It draws in air by creating a low-pressure area in the intake manifold and cylinders, compresses the air, mixes in a little gasoline, lights a fire, generates heat and pressure and finally pumps out the spent exhaust. Our preoccupation [â€¦]

The real WUDO site is much more disappointing after seeing that, but I still found myself muttering, "What the fuck?" a whole lot more on Microsoft's site. It's bad enough that they thought we would ever be cool with footing the Internet bill to distribute their updates for them, but it was an option that was turned on by default. In a stupid decision (that, to be fair, Microsoft has since ...
