9780521258647 - European Garden Flora A Manual for the

A privet is a flowering plant in the genus *Ligustrum*. The genus contains about 50 species of erect, deciduous or evergreen shrubs, sometimes forming small or medium-sized trees, native to Europe, north Africa, Asia, many introduced and naturalised in Australasia, where only one species extends as a native into Queensland. Some species have become widely naturalized or invasive where introduced.
