debate, the concept of national interest serves to propose, justify, or denounce policies. Because the national interest is the foundation for both the National Security Strategy and its supporting National Military Strategy, it is essential that military leaders understand the political context from which the details of the national interest emerge.

National Interest: From Abstraction to Strategy

regard, traditionally, national interest has been divided into those inter-ests that states consider core or vital, such as security, and those that relate to the promotion of more secondary interests. Moreover, the notion of national interest has historically been associated with a geopolitical understanding of international relations.

National Interest and International Solidarity

We recognize that democratic state building is now an urgent component of our national interest. And in the broader Middle East, we recognize that freedom and democracy are the only ideas that can, over time, lead to just and lasting stability, especially in Afghanistan and Iraq.

Rethinking the National Interest | Foreign Affairs

National interest definition is - the interest of a nation as a whole held to be an independent entity separate from the interests of subordinate areas or groups and also of other nations or supranational groups.

National Interest | Definition of National Interest by

Interest This memorandum implements the Executive Order entitled "Enhancing Public Safety in the Interior of the United States," issued by the President on January 25, 2017.
