In its most general sense, the practice of law involves giving legal advice to clients, drafting legal documents for clients, and representing clients in legal negotiations and court proceedings such as lawsuits, and is applied to the professional services of a lawyer or attorney at law, barrister, solicitor, or civil law notary. However, there is a substantial amount of overlap between the ...

Whole foods are plant foods that are unprocessed and unrefined, or processed and refined as little as possible, before being consumed. Examples of whole foods include whole grains, tubers, legumes, fruits, vegetables.. There is some confusion over the usage of the term surrounding the inclusion of certain foods, in particular animal foods.
