

the question concerning technology pdf

We ask the question concerning technology when we ask what it is. Everyone knows the two statements that answer our question. One says: Technology is a means to an end. The other says: Technology is a human activity. The two definitions of technology belong together. For to posit ends and procure and utilize the means to them is a human activity.

The Question Concerning Technology

The Question Concerning Technology 5 nology is. The whole complex of these contrivances is technology. Technology itself is a contrivance, or, in Latin, an instrumentum .3 The current conception of technology, according to which it is a means and a human activity, can therefore be called the instrumental and anthropological definition of technology.
