The Women and War Reader brings together the work of the foremost scholars on women and war to address questions of ethnicity, citizenship, women's agency, policy making, women and the war complex, peacemaking, and aspects of motherhood. Moving beyond simplistic gender dichotomies, the volume leaves behind outdated arguments about militarist men and pacifist women while still recognizing that there are patterns of difference in men's and women's relationships to war.

Nazi war crimes are a theme in the novel due mainly to the fact that Hanna is on trial for war crimes, and the trial is one of the key moments of Michael's life. He has already told the reader that his generation judge his parents' and grandparents' generations very harshly for not doing anything to prevent Hitler's power and the holocaust that was happening around them.
