Really Really succeeds, in part, because it understands the symbols and trappings of Generation Me. Colaizzo (a self-acknowledge member), began writing Really Really while he was still in college, and it shows. The play's spot-on dorm set features an XBOX 360, a "Boondock Saints" poster, and the casual detritus of empty Yeungling bottles and PBR cans.

Really Really - DC Theatre Scene

Really Really marked Colaizzo's New York playwriting debut and is the first play in his "Want, Give, Get" trilogy. His other plays include Little Gives, The Thing About Getting, Pride in the Falls of Autrey Mill, and For Tomorrow, Please Prepare.

Validation: Is it really PDF/A? It is not always easy to tell at first glance whether an existing PDF file actually meets the ISO's PDF/A standard. Applications such as Adobe Acrobat and Adobe Reader do use a pale blue banner to indicate when a file claims to be PDF/A compliant, but this is only an indicator and should not be used in place of a full examination to ensure the document meets the PDF/A standard.
