reason, social connections over individual choice, character over IQ, emergent, organic systems over linear, mechanistic ones, and the idea that we have multiple selves over the idea that we have a single self.

### **THE SOCIAL ANIMAL by David Brooks Table of Contents**

The fundamental philosophy of The Social Animal is that human behaviors, belief, and attitude do not reflect dispositional qualities in individuals because it is the variables in the situations that produce behaviors, belief, and attitude. This is a very generous view in regard of human nature.
