The Thyroid Solution is a must-read for anyone who suffers from thyroid disease. Written by a medical pioneer and leading authority in the field of thyroid research, this groundbreaking book offers Dr. Ridha Arem's practical program for maintaining thyroid health through diet, exercise, and stress control and through his revolutionary medical plan, which combines two types of hormone treatments and produces astounding results.

### **The Thyroid Solution (Third Edition): A Revolutionary Mind**

The thyroid is producing adequate T4, and the pituitary is correctly releasing TSH to stimulate T4 production by the thyroid gland. While it's true that feedback mechanisms control how much of which hormones are being released, a low T4 to T3 conversion is likely being caused by other factors apart from the HPT axis hormone system.
