Select your tokens: You can use lots of dif-ferent things as tokens including poker chips, coloured dots, printed cards, pennies or even checkmarks. Some teachers prefer to use images of the targeted behaviour as their tokens, (e.g., a picture of nice sitting). Regardless of what you choose, tokens should be portable, and durable.

## **Token - Wikipedia**

A security token is a physical device used to gain access to an electronically restricted resource. The token is used in addition to or in place of a password. It acts like an electronic key to access something. Examples include a wireless keycard opening a locked door, or in the case of a customer trying to access their bank account online, the use of a bank-provided token can prove that the ...
