government is the government of love, truth and freedom, at war with Satan's government of coercion, deceit and selfishness. So, God's government is being violently attacked by Satan, but the power of love and truth forcefully advance as it is being violently attacked. Nothing demonstrated this reality more powerfully than the Cross.

Experts believe these hackers work for foreign governments a suspicion that's easily assumed but nearly

impossible to prove, A report released in October by the U.S.-China Economic and Security Review Commission describes an unseen cyber-war in which hackers “most of whom appear to reside in China” constantly bombard U.S. agencies and defense contractors with malicious software designed to steal data only a nation-state would want.
