With his welcome new book, *The Value of Humanity in Kant's Moral Theory*, Richard Dean joins the discussion. Dean's main objective is to explain what Kant means by "humanity" when he enjoins us to treat humanity as an end rather than a mere means.

### **Project MUSE - The Value of Humanity in Kant's Moral**

Kant's Conception of Evil and the Normative Independence of Humanity and personality Book One of the *Religion* contains Kant's definitive treatment of the issue of evil. In his investigation, Kant is committed to the basic imputability of evil to an extent rarely matched in the history of philosophy.

### **The Value of Humanity and Kant's Conception of Evil**

This article considers Christine Korsgaard's argument for the value of humanity, and the role that her transcendental argument plays in this, to the effect that an agent must value her own humanity. Two forms of that argument are considered, and the second is defended. The analysis of her position is also put in the context of debates about transcendental arguments more generally.

### **Value of Humanity: Reflections on Korsgaard's**

the survival of humanity are temporally neutral. That is to say, it is morally irrelevant that That is to say, it is morally irrelevant that by enabling humanity to survive longer we cause additional lives to be lived in the future .
