Civilization On Trial And The World And The West

But the title of this autobiography " The west on trial" does not seem to be appropriate. It was the west which
put him on trial. But at the bottom of the cover page it is written " My fight for Guyana's freedom" . This should
have been the title.

Cheddi Jagan's autobiographical work "The West on Trial" is a monumental study of the social, political and economic history of Guyana from the time of European colonization to 1966, when it was first published.

Home page of the Cheddi Jagan Research Centre

The trial was underpowered to detect differences in thrombotic events. There was a greater incidence of bleeding events than expected, which may be in part due to the lower-than-expected use of PPIs. [4] [5] (PPIs were shown to reduce bleeding in patients undergoing PCI in the 2010 COGENT trial.)
